

Because of the absence of a Fiscal Year (FY) 2014 appropriation, the Access Board is compelled to “shut-down” its operations. All Access Board employees have been placed in a furlough status. During the shut-down we will not be providing the following services:

- Complaint processing under the Architectural Barriers Act
- Guidelines and standards development
- Webinars
- Training
- Technical assistance
- Website maintenance and updates
- Publications fulfillment

We will return to work once a continuing resolution or an FY 2014 appropriation has been signed into law.
